

## SUMMER STYLE

Do summer in style. Here are some of our favourites to bring aboard this cruising season

**1. Pear Cider**

**\$10**

This 100 percent pear hard-cider from Left Field Cider Company is one of the most refreshing ciders ever and was made for a hot, sunny day. Even if you don't think you are a cider person, this may change your mind. Not to be consumed by the captain while underway, of course.
